

BRANDED MOBILE APP

Informative Presentation

ABOUT US

At ePrimePay, we are interested in building long-lasting partnerships with our merchants. We believe that constant communication between ourselves and our clients is critical in helping us achieve this goal. From the beginning of your journey, the ePrimePay team is there to accompany and provide solutions as required.

QUICK AND EASY VERIFICATION PROCESS

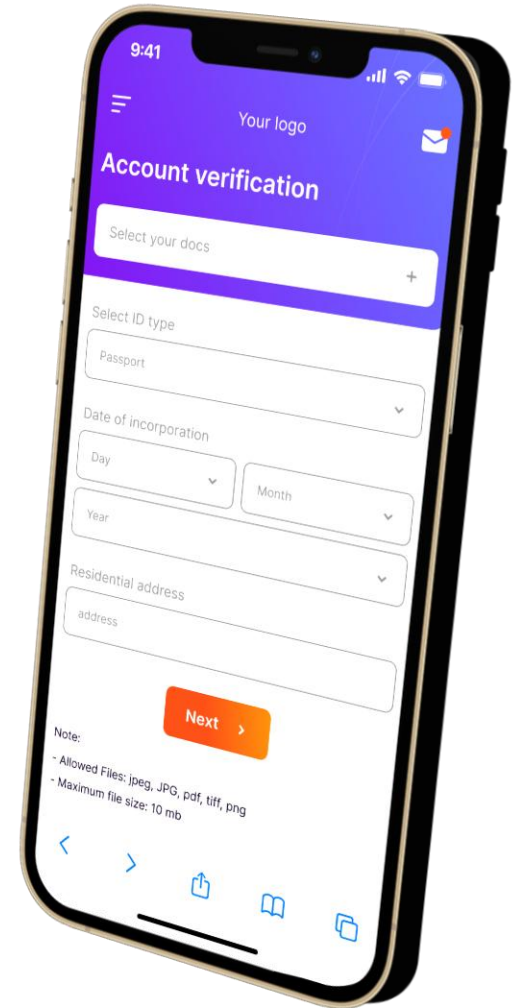

With this App your clients can open an account with your company

For the video click [Here](#)

If it is needed by regulation to check client documents, we offer a solution through an automated verification partner

Clients can easily open an account by registering their details and upload their documents for a very quick verification

DOCUMENTS

PROCESS

VERIFICATION
SUCCESSFUL

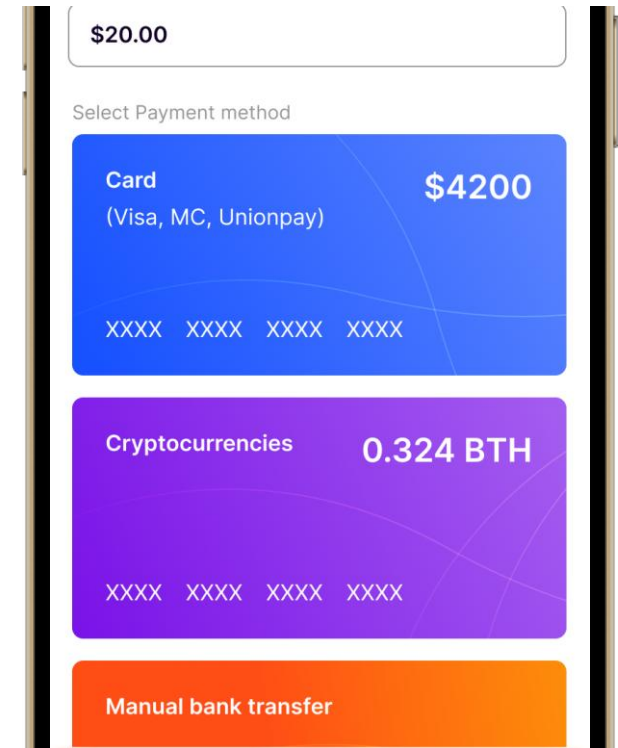

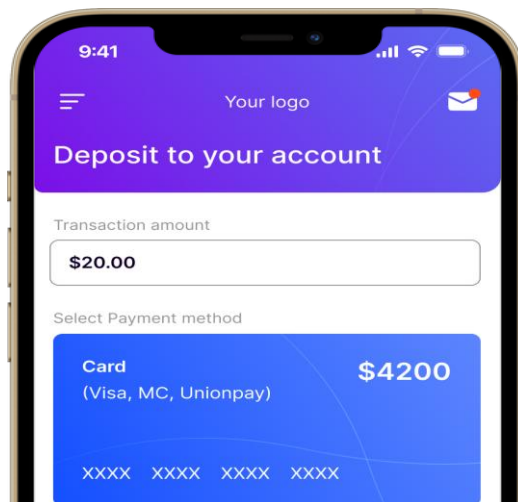

Verification takes around 20-30 minutes using our automated verification partner
